

3 Courses

English for Developing a Business

English for Effective Business Communications

English for Running a Successful Business

UC Irvine

Oct 19, 2026

Adham Medhat Elsaied

has successfully completed the online Specialization

Essential English for Business Professionals

This specialization is intended for business professionals or students seeking to improve their English language skills by using business related content. Through three courses, the learner has covered, for example, topics related to leadership, corporate organization, sustainability, working globally, human resources, project management, and work-life balance. This specialization has prepared the learner to be able to better understand and use written and spoken English in business situations.

Karen Vallejo
Instructor
International Programs
University of California, Irvine

Marla Yoshida
