4 Courses

Customer Value, Acquisition, and Retention

Selecting the Right Customer & Channel

AI in Digital Marketing

Digital Marketing Capstone

Oct 17, 2026

Adham Medhat Elsaied

has successfully completed the online Specialization

Advanced Digital Marketing

In this specialization, learners developed and honed vital skills for today's dynamic workforce, focusing on Customer Value, Acquisition, and Retention, Selecting the Right Customer & Channel, AI in Digital Marketing, and the Digital Marketing Capstone. Throughout the program, learners mastered techniques to maximize customer lifetime value, strategically identify and target optimal customer segments and channels, and leverage AI to enhance marketing initiatives. The capstone project enabled them to apply their knowledge in real-world scenarios, further refining softer skills such as strategic problem-solving, and analytical thinking, preparing them to excel in the ever-evolving digital marketing landscape.

Pallassana K Kannan
Associate Dean for Strategic Initiatives
Dean's Chair in Marketing Science

Mary Beth Furst
Clinical Professor
Robert H. Smith School of Business

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
