Adham Medhat Elsaied

has successfully completed the online Specialization

Creative Operations with Notion, AI, and Personal Branding

This Specialization is intended for creatives, freelancers, entrepreneurs, and professionals seeking to develop productivity systems, AI workflows, and a strong personal brand. Through 4 courses, you will learn to build organized Notion workspaces, create advanced dashboards and databases, use ChatGPT with effective prompting techniques, and develop an authentic personal brand that attracts opportunities. Taught by Kristine Sacdalan, Kasia Pilch, and Sina Port, this Specialization will prepare you to streamline your workflow, increase productivity, and confidently market yourself online.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
