AI Fundamentals with Claude

AI Collaboration with Claude

AI Automation with Claude

Sep 13, 2026

Adham Medhat Elsaied

has successfully completed the online Specialization

Real-World AI with Claude

By completing AWIT's Real-World AI with Claude Specialization, sponsored by Anthropic and 1Password and available exclusively on Coursera, the bearer of this credential has dedicated their time and energies to building practical AI skills for the modern workplace. The bearer holds knowledge of how to use Claude, Anthropic's AI assistant, to craft clear communication, analyze and refine documents, brainstorm and problem-solve, and design AI-powered workflows. You, the reader, should be aware that the bearer, by earning this certificate, has demonstrated exemplary commitment and dedication to applying AI in real-world contexts, and will distinguish themselves in their future endeavors. Visit coursera.org/awit to learn more.

Dan Mellott
Former Manager of the API Team, Anthropic
Faculty Lecturer, San Francisco Conservatory of Music
Cofounder, CEO and CTO, Left Turn Studios

Nancy Wang
CEO and Founder, Advancing Women in Tech (AWIT)
SVP and Head of Engineering, 1Password
Venture Partner, Felicis Ventures

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
