

3 Courses

An Introduction to Digital Marketing and Digital Strategy

Digital Channel Planning Strategy

Data and Digital Strategy Execution

Digital Marketing Institute™
Part of the BPP Education Group

Oct 17, 2026

Adham Medhat Elsaied

has successfully completed the online Specialization

Planning a Digital Marketing Strategy

This Specialization introduced the core components of digital marketing and the purpose of digital strategy development. It covered the basic techniques, skills, and behaviors required in order to create, develop, and successfully execute and optimize a digital strategy. It also explained how to use digital channel planning, e-commerce, and other methods to provide consumers with a consistent brand experience across all touchpoints. Learners who successfully complete this Specialization will be awarded the Certified Digital Marketing Associate (CDMA) certification from the Digital Marketing Institute.

Cathal Melinn
Industry Expert
Digital Marketing

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
