Adham Medhat Elsaied

has successfully completed the online, non-credit Specialization

Introduction to Finance and Accounting

Congratulations! You have completed all four courses of Introduction to Finance and Accounting - a Wharton Specialization. As part of this Specialization, you have gained a deeper understanding of essential corporate finance and accounting fundamentals, as well as learnt how to read, understand and analyze company financial statements. You have learnt the language and grammar of accounting, as well as skills that will help you make more informed decisions using financial information.
